

## ClaimMaster Manual Activation

If you cannot activate ClaimMaster automatically due to the firewall conflicts, please use the following manual procedure to activate your license. You will need to use a *License Id* and *Password* that you should have received in the email after your purchase.

**Step 1)** When presented with an activation dialog, choose “Activate My Product” option. Choose “Activate By Phone” in the next dialog.

**Step 2)** Once you pick “Activate by Phone,” you will be prompted to enter your *License Id* and *Password* (from email), after which you will be presented with a dialog that has two user codes.

**Step 3)** Open a web browser and go to <http://secure.softwarekey.com/solo/unlock/> You will be presented with the following web page that will again prompt you to enter your *License ID* and *Password*.

This login screen is for Customers who have purchased software previously and are coming here to activate it. software, contact the **software publisher** for assistance.

License ID: <input type="text"/>
Password: <input type="password"/>
<input type="button" value="Submit"/>

Once you enter your License ID/password, you will be prompted to enter user codes from step 2. Please enter User Code 1 and User Code 2 into the web page.

**Product: ClaimMaster**  
**Key Action: Pro**  
**Quantity: 1**

Code 1:	<input type="text"/>
Code 2:	<input type="text"/>
<input type="button" value="Submit"/>	

**Once you hit “Submit,” you will be given an activation code.**

**Step 4)** Copy/paste the issued activation code into the Activation Code 1 field in the dialog on your machine and press “Continue.” That step will unlock ClaimMaster on your machine.
